

**JESUS IS GOOD
FOR YOU!**

It's Biblical!

JESUS IS GOOD FOR YOU!

Jesus is good for you. If you're a Christian, He's your mediator. That means He talks to the Father on your behalf, particularly as it relates to sin. He's your High priest. He offers up spiritual blessings from you to the Father and not only that, He offered Himself as the sacrifice for your sins. You won't be separated from God in hell, you'll be with God forever in heaven.

If you're a Christian, He's always there for you. He never leaves you nor does He ever give you up for something or someone else. He's opened the way to the Father so that you may boldly approach Him without fear. Now that's amazing! Well, all of it's amazing.

If you're a Christian, you can have forgiveness of your sins after baptism. All you need do is confess your sins to the Father and He is faithful to forgive you, your latest sin - that's by the blood and sacrifice of Jesus.

If you're a Christian, you have great and precious promises from the Father made sure by Jesus' sacrifice. Because of Jesus, you're the Father's child and he watches over you, protects you from the evil one, and provides your needs in this life. You get to go to heaven when it's all said and done.

JESUS IS GOOD FOR YOU!

If you're a Christian, you have God's word available to you. Jesus promised the Holy Spirit would come and instruct the apostles after He, Jesus, had left the earth. That word of God lets you know when you're wrong, it lets you know how to correct your path. It lets you know what God wants of you. It makes you fit to do every good work.

If you're a Christian, you're a member of the body of Christ, the church. Jesus is the head of the church. That one true church will stand against the devil and death. Jesus died so that you need not fear death. You have confidence in where you're going in the afterlife. You have a world full of brothers and sisters, and much more in heaven. You're among the saved.

JESUS IS GOOD FOR YOU!

If you're a Christian, you have the benefit of doing the most important work in the world - expressing the gospel to the lost. You serve the Lord, the Father, and the Holy Spirit as you do the good works for which you are created.

Oh yes, if you're a Christian, you get to indulge your entire self in the spiritual world of which you truly are a member. In this life, you are spirit first, merely encased in the flesh for just a while, and then on to your heavenly home.
